English | Thai | German

HCI PROJECT **GENENTECH** | Project Manager & Technical Co-Lead
January – August 2013, United States
Researched, designed, and demonstrated how technology and information can come together to bring value to Genentech's field-based sales workforce.

- Developed storyboards, created wireframes, and worked specifically on information architecture, interaction, and visual design of all prototypes
- Co-developed prototypes in all stages, including final working prototype in HTML, CSS, and JavaScript
- Managed and facilitated work and team activities; scheduled and communicated with clients and research participants

EXPERIENCE **PLANET T&S CO., LTD.** | System Analyst
February – June 2012, Thailand
Designed IT solutions to improve the process of tracking component parts for a production base of Thai Summit Group, Thailand's leading automotive parts manufacturer.

- Analyzed existing systems and workflows by interviewing and observing end users in the field as well as key stakeholders
- Translated user needs into project proposals, including project scope, schedule, and cost
- Worked closely with developers and liaised extensively with clients and end users

AMADEUS HOSPITALITY | Software Engineer
January 2009 – March 2011, Germany
Implemented UI features in C# for the company's latest property management system, shipped to Taj Hotels in India and US. Ensured consistency in contents and visual design across the product.

NOKIA | Software and System Verification Intern
August 2006 – December 2008, Germany
Developed applications to analyze and archive test results using VBA and SQL. Created complex test environment and system diagrams using MS Visio.

ACTIVITIES **HANDSON TECH** | Skill-Based Volunteer
November 2013 – Present, United States
Design and develop custom websites for local nonprofits: Pittsburgh Youth Leadership and The Fairytale Foundation.

THAI STUDENTS ASSOCIATION IN GERMANY | Member
August 2005 – December 2011, Germany
Voluntarily supported new students in settling into their new environment. Helped them with German official documents and bureaucracy.

"PEACEFUL MIND, OPEN HEART" RETREAT | Participant
October 2010, Thailand
Participated in the 5-day retreat led by Thich Nhat Hanh. Supported volunteer work for more than 1,500 participants.
